Eco-Tip. You Can help – Planning for next year Even small lengths of hedge are important. Making a hedge of mixed species at the back of the border and planting wildflowers are both pretty & practical. Wildlife will love it. https://tinyurl.com/3zsc7tpu

Events Group
St Stephen's are looking for volunteers to support the creation of an Events Group. Initially tasked with the 2027 Autumn Fayre, this group will also consider other community activities to support wider ministry to our parish and serve our community. Please speak to Michelle, William or the clergy for more details.

Printer Cartridges - Thanks Over the past 3 months (Aug- Oct) we have raised £34.05 for the benefit of Christian Aid. Many thanks to those who have left their used cartridges in the box at the back of church. As well as raising money for Christian Aid, this has also had the environmental benefit of not sending these cartridges to landfill. The box is always on the counter near to the door into church and it is eagerly looking forward for your (and your friend's!) future contributions of used inkjet cartridges.

Sound Desk Support
St Stephen's are looking for anyone who is interested in helping with the sound desk as we consider whether to expand our mid-week offering to community events or other services. Initially to support on Sunday's, assisting here will help guide the PCC regarding the direction of Zoom as an offering. Speak to William, Pete, Michelle or clergy for more details.

Your incredible support helped us feed 15,201 people last year - with around 1 in 3 of these being children (5,172). Thank you to everyone who has donated food, money or their time to combat hunger in our city.

'Calling all Carol Singers: with people from other local churches, we are going to sing carols and run a pop-up nativity in our local care homes:
2nd December at Fernhill House - 2pm
8th December at The Willows - 2pm
8th December at Northwick Grange - 3pm
15th December at Noele Court - 2pm
15th December at Perdiswell Rose - 3pm
22nd December at St Stephen's Care Home - 2pm
22nd December at The Belmont - 3pm
Please come and sing with us, at some of these care homes or all of them! There's no need for a practice – you know the carols. The residents loved our visits last year, and we want to remind them again of the wonderful Christmas story, in word and song. Any questions? Ask Rob.'

Advent Study' Will you try an Advent Study this year? Rev'd Sarah and I have made our plans for this, and we'll be using the Cover to Cover 'A Child is born' guide, with short daily reflections based around the perspectives of those present in the Advent story that can be done at home as you wish, and we'll be meeting weekly for a group discussion for our three churches, based on the guide's four main themes.
All will take place between 7.00pm-8.30pm, at;
St Stephen's on 23rd November
St George's on 30th November
St Stephen's on 7th December
St George's on 14th December
I've got lots of copies of the guide, so just ask me for one to use at home as you prefer, or they'll be available on the night. Rob'
